ALL IN LOVE IS FAIR

Testo e Musica di S. WONDER

Love's a crazy game.

Two people vow to stay in love as one they say.

But all is changed with time.

The future none can see.

The road you leave behind a head lies mystery.

But all is fair in
love. I had to go away.

Every night and day I had to live the life of a lonely one and

I remember meeting you discovering love could be so true when

shared by two instead of only one and when you said you loved me—

I'm so thankful that I found you because I've never felt like this before.

I've built my world a-round you.

I'd like to see both of us
fall deeply in love.
I'd like to see you and me

I'd like to see both of us
fall deeply in love.
I'd like to see you in the raw

Boogie on reggae woman,

GET IT
di S. Wonder

Miss Lady Girl
is putting her love on the shelf,
'cause she don't want
to be hurt by nobody else.
She's taken her heart
and put it away under lock
but it's high time
that Miss Lady Girl
sets her heart free
and gives her love to me.

Some think that diamond ring,
fancy cars will make a big
impression,
but I know that all she needs
is my tender love and affection.
'Cause she still says.
"No one's gonna get it,
no one's gonna get it, oh no.
Someone's gonna get it,
and I know that I will be
the one who will.
Gonna get it her love.
Gonna get it her kisses.
Gonna get it her heart.
Gonna get it, get it.

I
Miss Lady Girl
has buried her feelings deep
inside,
'cause she don't want
to be taken for another ride.
She's sick and tired
of being on the lonely
[merry-go-round.
She just don't know
that the ultimate love of her life
is about to be found.

They think that ready cash,
flashy clothes will fill her life with
laughter,
but I've got the very thing
that she needs,
true love forever after.
Then no more will she say:
"No one's gonna get it.

Isn't she lovely
isn't she wonderful
isn't she precious
Less than one minute old
I never thought through love we'd
be
Making one as lovely as she.
But isn't she lovely made from
love.

Isn't she pretty.
Truly the angel's best.
Boy, I'm so happy
We have been heaven blessed
I can't believe what God has
done
Through us he's given life to one
But isn't she lovely made from
love.

Isn't she lovely
Life and love are the same.
Life is Aisha
The meaning of her name
Londie, it could have not been
done
Without you who conceived the
one
That's so very lovely made from
love.
I JUST CALLED TO SAY
I LOVE YOU
di S. Wonder

No New Year's Day to celebrate
No chocolate covered candy [hearts to give away
No first of spring
No song to sing
In fact here's just another ordinary day
No April rain
No flowers bloom
No wedding Saturday within the month of June
But what it is, is something true
Made up of these three words that I must say to you,
I just called to say
I just called to say how much I care
And I mean it from the bottom of my heart.
No summer's high
No warm July
No harvest moon to light one tender August night
No autumn breeze
No falling leaves
Not even time for birds to fly to southern skies.
No Libra sun
No Halloween
No giving thanks to all the Christmas joy you bring
But what it is, though old so new
To fill your heart like no three words could ever do.
I just called to say
I just called to say how much I care
And I mean it from the bottom of my heart.
I wish those days could come
[back once more
Why did those days ever have to go?
I wish those days could come
[back once more
Why did those days ever have to go?
'Cause I love them so.
Brother says he's tellin' Bout you playin' doctor with that girl
Just don't tell I'll give you Anything you want in this whole wide world
Mama gives you money for Sunday school
You trade yours for candy after church is through.
Smokin' cigarettes and writing something nasty on the wall (you nasty boy)
Teacher sends you to the principal's office down the all
You grow up and learn that kinda thing ain't right
But while you were doin' t-it [sure felt outta sight.
I wish those days could come [back once more
Why did those days ever have to go?
(Orchestra) 

I WISH
Looking back on when I Was a little happy headed boy
Then my only worry Was for Christmas what would be my toy.
Even though we sometimes Would not get a thing
We were happy with the Joy the day would bring.
Sneaking out the back door To hang out with those hoodlum [friends of mine Greeted at the back door With boy thought I told you not [to go outside.
Tryin' your best to bring the Water to your eyes Thinkin' it might stop herFrom whoopin' your behind.
I wish those days could come [back once more
Why did those days ever have to go?
I wish those days could come [back once more
Why did those days ever have to go?

Peace has come to Zimbabwe  
Third world's right on the one  
Now's the time for celebration

MY LOVE

di S. Wonder

My love
is warmer than a smile.
My love
gives to every needing child.
If anyone should ask you
who’s my true love.
tell them my love true
is ever letting all the love
come through.

My love
sees love with not a face.
and lives
to love through time and space.
If all of everything
about my love
fits to the tune of you.
then you can say that you
are my love too.

Let my love shine throughout the
world
to every mountain top and
[steeple.
Let it be felt by every soul
till love’s all over.
Let it reach out to every heart,
to every disenfranchised person.
till it is present and no more
is pain all over.

Our love
sees love’s the key to peace:
we’ll pray
‘til all world wars have ceased.
Should you or anyone you know
enough
to say they feel as we.
then let our universal song be
free.

Let our love shine throughout the
world
to rich and poor, for love is
[equal.
Let us lift up humanity.
spread love’s all over.
Let all its forces join as one.
so to rebuke all signs of evil.
through every valley, land and
sea
our love’s all people.
Say words of love to all we see.
to every mountain top and
[steeple.

OVERJOYED

di S. Wonder

Over time, I’ve been building
my castle of love
Just for two, though you never
Knew you were my reason.
I’ve gone much too far for you
now to say
That I’ve got to throw my
castle away.

Over dreams. I have picked out
a perfect come true
Though you never knew it was
of you I’ve been dreaming.
The sandman has come from
too far away.
For you to say come back some
other day
And though you don’t believe
that they do
they do come true.
For did my dreams
Come true when I looked at you.
And maybe too, if you
would believe
You too might be
Overjoyed, over loved, over me.

Over hearts, I have painfully
turned every stone.
Just to find, I had found what
I’ve searched to discover.
I’ve come much too far for me
now to find
The love that I sought can never
be mine.

And though you don’t believe
that they do
They do come true.
For did my dreams
Come true when I looked at you.
And maybe too, if you
would believe
You too might be
Overjoyed, over loved, over me.

And through the odds
say improbably
What do they know.
For in romance
All true love needs is a chance.
And maybe with a chance you
will find
You too like I
Overjoyed, over loved, over
you, over you.

PART-TIME LOVER
S. Wonder

Call up, ring once, hang up
the phone.
To let me know you made it home.
Don't want nothing to be wrong
with part-time lover.
If she's with me I'll blink
the lights.
To let you know tonight's the night.
For me and you my
(part-time lover)
We are undercover passion on
the run.
Chasing love up against the sun.
We are strangers by day, lovers
by night.
Knowing it's so wrong, but feeling
so right.
If I'm with friends and we
should meet
Just pass me by, don't even
speak.
Know the word's "discreet"
when part-time lovers
But if there's some emergency
Have a male friend to ask for me
So then she won't peek it's
really you my part-time lover.
We are undercover passion on
the run.
Chasing love up against the sun.
We are strangers by day, lovers
by night.
Knowing it's wrong, but feeling
so right.

(Repeat)
I've got something that I must tell
Last night someone rang our
doorbell.
And it was not you my part-time
lover.
And then a man called our
exchange
But didn't want to leave his name.
I guess that two can play
the game.
Of part-time lovers.
You and me, part-time lovers.
But, she and he, part-time lovers.

SKELETONS
S. Wonder

Skeletons in your closet
Itch'n' to come outside
Messen with your conscience
In a way your face can't hide
Oh things are gettin' real funky
Down at the old coral.
And it's not the skunks that are
(stinkin')
It's the stinkin' lies you tell
What did your mama tell you
about lies
She said it wasn't polite to tell a
white one
What did your daddy tell you
about lies
He said one white one turns into
(a black one)
So, it's gettin' ready to blow
It's gettin' ready to show
Somebody shot off at the mouth
(and)
We're gettin' ready to know
It's gettin' ready to drop
It's gettin' ready to shock
Somebody done turned up the
(thunder)
And it's gettin' ready to pop
Crevices in your pantry
Now what do we have in here
havin' a daytime nightmare
Has always been your biggest fear
Oh things are gettin' real crucial
Up the old wazoo
Yet you cry why am I the victim
when the culprit's y-o-u
What did your mama tell you
She said it wasn't polite to tell a
white one
What did your daddy tell you
He said one white one turns into
a black one
So, it's gettin' ready to blow
It's gettin' ready to show
Somebody shot off at the mouth

We're gettin' ready to know
It's gettin' ready to drop
It's gettin' ready to shock
Somebody done turned up the

And it's gettin' ready to pop
You're gettin' ready to freak
Somebody done picked up the
talk box
And gettin' ready to speak
It's gettin' ready to jive
It's gettin' ready to gel
Somebody done gone let the lid

And it's gettin' ready to smell
They're gettin' ready to deal
You're gettin' ready to ill
Somebody done just dropped the
big dime
And they're gettin' ready to squeal
It's gettin' ready to turn
We're gettin' ready to learn
Somebody done tired up the
brimstone
And you're gettin' ready to burn
It's gettin' ready to shake
You're gettin' ready to ache
Somebody done snitched to the
newscrew
And it's gettin' ready to break
You're gettin' ready to lie
They're gettin' ready to spy
Somebody's been put on the hot
seat.
And you're gettin' ready to fry.

SIR DUKE
S. Wonder

Music is a world within itself
with a language we all
understand.
with an equal opportunity
for all to sing
dance and clap their hands
but just because a record has a
groove
don't make it in the groove
but you can tell right away
at letter A
when the people start to move.
They can feel it all over.
They can feel it all over, people.
They can feel it all over, people.
They can feel it all over, people.

If
Music knows it is and always will
be one of the things that life just
won't quit.
But here are some of music's
pioneers,
that time will not allows us to
forget
for there's Basie, Miller, Satchmo,
and the king of all, Sir Duke.
and with a voice like Ella's ringin'
out
there's no way the band can lose.
You can feel it all over.
You can feel it all over, people.
You can feel it all over.
You can feel it all over.
You can feel it all over, people.

SUPERSTITION
di S. Wonder

Very superstitious, writings on the wall.
Very superstitious, ladders 'bout to fall.
Thirteen month old baby broke the lookin' glass.
Seven years of bad luck, the good things in your past.
When you believe in things that you don't understand then you suffer.
Superstition ain't the way.

Ooh, very superstitious, wash your face and hands.
Rid me of the problem, do all that you can.
Keep me in a daydream, keep me goin' strong.
You don't wanna save me, sad is my song.
When you believe in things you don't understand then you suffer.
superstition ain't the way.

Very superstitious, nothing more to say.
Very superstitious, the devil's on his way.
Thirteen month old baby, etc.

THE SECRET LIFE OF PLANTS
di S. Wonder

I can't conceive the nucleus of all begins inside a tiny seed.
And what we see as insignificant provides the purest air we breathe.

But who am I to doubt or question the inevitable being.
For these are but a few discoveries we find inside the secret life of plants.

II
A species smaller than the eyes can see, or larger than most living things.
And yet we take from it without consent our shelter, food, habilliment.
But who am I to doubt etc.
But far too many give them in return a stop, cut, drown or bum as if they're nothing.
But if you ask yourself where would you be without them, you will find you would not.

III
And some believe antennas are their leaves that spans beyond our galaxy.
They've been, they are, and probably will be who are the mediocrity.
But who am I to doubt etc.

YOU ARE THE SUNSHINE OF MY LIFE
di S. Wonder

You are the sunshine of my life, that's why I'll always be around.
You are the apple of my eye.
Forever you'll stay in my heart.
I feel like this is the beginning, though I've loved you for a million years.
And if I thought our love was ending.
I'd find myself drowning in my own tears.
You are the sunshine of my life, that's why I'll always stay around.
You are the apple of my eye.
Forever you'll stay in my heart.
You must have known that I was lonely, because you came to my rescue.
And I know that this must be heaven;
how could so much love be inside of you?
You are the sunshine of my life, etc.

YOU WILL KNOW
di S. Wonder

Lonely one of young, so broken hearted.
trav'ling down the rigid road of life.
using pharmaceutical extractions to find the paradise.
Finds the high, but comes down feeling lower, gets down on theyr knees and start to pray.
Looking up to heaven for the answer, they hear a voice that says:
You will know troubled heart, you'll know.
Problems have solutions: trust, and I will show. You will know.
troubled heart, you'll know.
Every life has reason, for I made it so.

II
Single parent try'n to raise their children, but they would much rather not alone,
reaches out to find that special someone to make their house a home.
Finds someone, but no one is the right one, gets down on their knees and start to pray.
Looking up to heaven for the answer, they hear a voice that says:
You will know lonely heart, you'll know, etc.

OVERJOYED

Testo e Musica di S. WONDER

Moderato

I've been building my castle of love.

Just for two, though you never knew you were my

son.

I've
gone much to far for you now to say that I've got to throw my
castle away. Over dreams, some other day." And though you don't be-
lieve that they do they do come true for did my dreams come true when
I looked at you can make it true if you would believe
you too might be overjoyed over love
over me.
