I don’t care if my lady’s gone,
You have wasted the love I tasted
Lookin’ for trouble, I guess that’s right
as long as you Give me just what I want
Now I'm really gettin' hungry more and more
When I was young— I was taught to fight
I've been losin'—
Been a long time—
It's been long gone—

my direction
had a bad sigh
seems I had none
Got to find a new connection
Tell me what am I
Now I'm head-ing for some
Let me know you feel it,
you know I really need it
I got something to find,
there's one thing I really need
Keep on pushing for more
Lay down, Stay
I'm gonna tell you right now

I got more than I asked for, there ain't nothin' I need
I've been called—by many names—And all of them are bad.
I took all 'til I had more.
I can take it all the same.
I'm always takin' the lead.
It's all I've ever had.

Old man shakin' dice down in the street.
I've got something that you can't get.

But
Tryin' to make a livin' some-how
one thing you can see
But I'm really sure about
Gettin' there ain't ea-
